## winery of the month

### **dryridge estate** megalong valley, nsw

the megalong valley is a 2 hour drive west of sydney and 20 minutes from the township of blackheath. it is adjacent to the world heritage blue mountains national park and is renowned for its majestic sandstone escarpment. dryridge is situated on 130 acres with 11 acres under vine. the first vines were planted in 2000.

### **2017 dryridge isabelle riesling**

10/45

riesling is a very temperamental variety to grow, it is very susceptible to the weather so is really a labour of love. this vintage is dry and light, the pink granite soil adds a unique characteristic of crisp minerality to the wine. good citrus flavours with a touch of residual sugar.

*food match... perfect with oysters, ceviche or sashimi*

### **2016 dryridge theodore tempranillo**

13.5/60

tempranillo is a black grape variety widely grown to make full bodied red wines in its native spain. it is a variety that is becoming very popular in australia. this is the first vintage of this variety from dryridge. the nose is full of flavour with notes of plum and cherry with a hint of leather coming through. the palate is lush and juicy ending with soft tannins and spicy pepper that dance on your tongue. this is a wine that can be equally enjoyed at room temperature or slightly chilled.

*food match... steamed kinkawooka mussels or blue cheese*
