winery of the month

hentley farm barossa valley, south australia

hentley farm is a 150 acre property that was handpicked by owners keith and alison hentschke back in the 1990's. it was chosen because of its soil quality and geographical contours. with a focus on perfecting the vineyards the first wines were not released from the property until 2002.

2016 hentley farm 'poppy' field blend

10/45

a blend of 6 varieties predominantly chardonnay, riesling & viognier. several non-traditional winemaking practices were used when creating this blend in order to achieve a textural, complex and aromatic style. apricot, jasmine & orange on the nose lead on to a textural palate where hints of oak are evident. this wine has great length finishing with balanced acidity

food match... steamed "kinkawooka" mussels

2016 hentley farm 'the rogue' field blend

10/45

a blend of 8 varieties predominantly grenache, malbec & mataro. 2016 was the wettest winter in 20 years, the rainfall and cooler weather conditions made for a longer, slower growing season which translated to outstanding flavour development and natural acidity in the fruit. A mix of plum and raspberry followed by cardamom & rosemary on the nose lead on to a complex palate that is beautifully balanced with soft tannins. this wine is all about the fruit, the french oak takes a backward step leaving a soft, medium weighted wine.

food match... whole roasted "yamba" king prawns
